## ABOUT NATIONAL DEFENCE UNIVERSITY

Institute for Strategic Studies, Research and Analysis (ISSRA), National Defence University (NDU) Islamabad is the premier National Security Think Tank which focuses on contemporary security and strategic issues. Institute provides analysis on national security, foreign policy, strategic trends and public policy by bringing new strategic perspectives under discussion. Besides provision of research assistance, ISSRA is also mandated to interact with other national and international research organizations by holding and participating in symposia, seminars, round-tables and workshops over variety of regional and global issues.

ISSRA was established in year 1998 and has evolved ever since. ISSRA regularly conducts workshops for parliamentarians, bureaucrats, businessmen, government officials (both civil and military) and personnel from civil society/ media.

Four International Workshop for Leadership & Stability (IWLS), starting first one in March 2019 have been conducted in which 229 Alumni have participated so far.

After successful conduct of 4<sup>th</sup> International Workshop for Leadership & Stability (IWLS) in March 2024, ISSRA is planning to organize 5<sup>th</sup> Workshop (IWLS) from 17 – 22 February 2025. IWLS is one week workshop for global leaders, senior policy makers, diplomats and senior executives.

## AIM

The workshop is structured on following core areas of leadership and international security policy:-

- Global / Regional Geo-Political Environment and its impact on socio-economic development.
- Understanding Global Trends.
- Information, Media, Technology, Stability and Development.

## OBJECTIVES

- Be inspired and immerse in deliberations and discussions to formulate policy for a shared future.
- Comprehend the evolving global transformation of security landscape.
- Opportunity to get first-hand knowledge of Pakistan by visiting strategically important locations.
- Interaction with high level national, political and military leadership.
